

**FY25
Summary of Funding**

For FY25, which runs from July 1, 2024, through June 30, 2025, the Mental Health Commission of Lyons Township awarded \$3,825,055 to eleven (11) organizations to provide services under 27 programs to township residents needing support with mental health, substance use disorder, and intellectual/developmental disabilities.

A description of each program funded by the Mental Health Commission of Lyons Township can be found below:

Aging Care Connections
111 W. Harris Avenue
La Grange, IL 60525
(708) 354-1323

\$40,200

- **Adult Protective Services** Program helps vulnerable older adults and adults with disabilities experiencing abuse, neglect, or exploitation.
- **Caregiver Support Program** helps caregivers deal with being a primary caretaker and caring for themselves. Specialists offer one-on-one support at home or via phone.
- **Education & Nutrition Program** serves older adults (aged 60 and older) with a nutritious lunchtime meal for a suggested donation of \$3.00. The meals served comply with the menu planning standards of the Department of Health & Human Services and the USDA's Dietary Guidelines for Americans to meet the minimum Dietary Reference Intake requirements. Social activities follow the meal to provide program clients with socialization and offer relief from loneliness, isolation, and depression. Examples include bingo, crafts, reading discussion groups, and board games. Occasionally educational programs are held after lunch to inform older adults about nutrition, health, and ways to increase their quality of life.

BEDS Plus Care, Inc.
9601 Ogden Avenue
La Grange, IL 60525
(708) 354-0858

\$105,000

- ***Mental and Behavioral Health Stabilization and Housing Services*** including emergency, interim, supportive and transitional housing, and screening for behavioral health conditions and referrals to treatment.
- ***Summit Service Center*** is a medical respite care center for unhoused individuals that have been hospitalized and need post-hospitalization support, but do not qualify for further hospitalization, rehabilitation services or nursing home care.

Center for Independence
100 W. Plainfield Rd., Suite 100
Countryside, IL 60525
(708) 588-0833

\$100,000

- ***Intensive Therapy Programs*** for Children and Young Adults with Physical Disabilities, including Early intervention, Assistive Technology, Physical, Occupational & Developmental Therapy.
- ***Community Integrated Employment (CIE) for Adults with Disabilities – Working Together Chicago*** for young adults/individuals with disabilities who have transitioned from school services and are attempting to enter the workforce.
- ***Mental Health Services*** include access to free Social Work services to help navigate the challenges of living with a disability. The Center also hosts free disability workshops throughout the year, including Financial Planning for People with Disabilities; Government Benefits including SSI, SSDI, Medicaid, PUNS and Home-Based Services Program; Workforce Benefits for People with Disabilities; Transportation Services. Free workshops that focus entirely on parental mental health are held throughout the year. Workshops are held in Spanish and English. To help families understand the developmental disability system, the Center also regularly hosts free Parent Education Events on Financial, Medical & Government Benefits, Legal Resources and Self-Advocacy skills. To help families cope with the significant challenges of raising a child with a disability, the Center also hosts 2 free Respite Days for participating children and their siblings, giving parents a much-needed break.
- ***Teen Volunteer & Mentorship Program*** gives local teens and young adults the opportunity to volunteer and job shadow professionals working with children and young adults with physical

disabilities. The program also supports local Peer Jury Programs and High Schools as a placement site for teenagers completing community service hours.

Community Support Services
9021 Ogden Ave.
Brookfield, IL 60513
(708) 354-4547

\$355,638

- **Case Management** is provided to all CSS participants by service coordinators who assess the needs of the participant and their family, and arrange, coordinate, monitor, evaluate, and advocate for a variety of services to meet their specific needs.
- **Respite Care** provides important, intermittent breaks for parents. Respite helps families stay together and reduces the stress that many parents experience.
- **Employment Program** includes intensive one-on-one support during the phase of the employment search, along with resume preparation, mock interviews, online applications, job coaching, and transportation training when employment is obtained.

Easterseals DuPage & Fox Valley
830 South Addison Avenue
Villa Park, IL 60181
(630) 620-4433

\$30,500

- **Outpatient Medical Rehabilitation** strengthens the physical, social, emotional, and intellectual abilities of children with DD/D through individualized, outcome-focused rehabilitation therapy and services that address each child's developmental challenges.
- **Mental Health Support** includes social work and counseling services that help children with DD/D, and their parents, address psycho-social issues and achieve healthy psycho-social functioning. The program also provides family members of children with DD/D with the support and resources that improve family stability and functioning. Additionally, mental health services are used to identify and address the behavioral and mental health issues of the family and child.

Helping Hand
9649 W. 55th Street
Countryside, IL 60525
(708) 352-3580

\$1,040,805

- **Community Day Services** for adults with intellectual/developmental disabilities where they continue developing skills, such as STEM, Computers, Music Appreciation, Art as a career, and exercise.
- The **Outpatient Clinic** provides weekly occupational and speech therapy for all ages, including children and adults diagnosed with autism spectrum disorder, speech delay or related speech diagnoses, developmental delays, attention deficit hyperactivity disorder, cerebral palsy, down syndrome, traumatic brain injury, sensory processing disorder, and a variety of motor disorders.
- The **Total Communication Project** teaches communication to clients that have a primary diagnosis of Autism and live in Lyons Township.
- **Employment Services** such as vocational skills training that foster independence, self-reliance, confidence, and interpersonal skills to support individuals in obtaining and maintaining employment.
